I hope that Mike spoke to you already. Called him at 8:30. Latest word is that the motors will be delivered on July 26. I asked Mike to consider whether you and/or he want to join us at a meeting with the Hudson and Essex County bridge managers on Thursday. It will be at 2 PM in Verona at 900 Bloomfield Avenue. Let me know.

Hi Stan – any word on the motors? There's a staff meeting here this morning and management would like an update.

Thanks
